Dear Parents,

My name is Lindsey Arhart, and I am a pre-student teacher in your child's classroom. I look forward to helping your child learn and would like to tell you a little about myself. I grew up near Chicago in the "small" town of Bartlett, IL with my parents and three sisters. While at home I love to hang out with my friends, play with our new beagle Millie, and go to Lake Michigan in Chicago. During the summer I love to take walks and go bike riding.

Currently I am attending the University of Wisconsin-Platteville. It is my junior year and I will graduate with a major in Elementary Education, with minors in Special Education and Early Childhood Education. Through the course of this program, I will be completing a few months of pre-student teaching with your child and their teacher through April 16. I will be in your child's classroom every day from either 8:00-9:30 A.M. or 9:30-11:00 A.M. As part of this program, I will be teaching six of the lessons, and assisting the teacher and students.

I am grateful that I have been given the opportunity to work alongside your child and their teacher. This experience will prove to be invaluable for my future as a teacher, and I look foreword to teaching your child. Thank you for your time.

Sincerely,

Ms. Arhart
